# 2017 TRCHR Scholar / Undergraduate Summer Studentship Award Frequently Asked Questions (FAQ)

1. *Who is eligible for these awards?*
  - a. Students enrolled, full time, in an undergraduate degree program in science, engineering, health or life science, nursing, medicine, business.
  - b. The proposed project focuses on some aspect of [heart failure](#). This may be broadly interpreted and may include diverse fields of science, medicine, nursing, engineering, public health, etc.
  - c. The proposed project involves collaboration with at least 2 of 3 [TRCHR partner organizations](#): SickKids, UHN, UofT.
  - d. Students with a supervisor affiliated with one or more of the partner organizations including other UofT-affiliated academic health science centres, hospitals or research centres.
2. *Do I need to include my supervisor's CV?*

Yes, please include your supervisor's Common CV or NIH biosketch (last 5 years only) with your application.
3. *Are reference letters required?*

No
4. *Who are academic transcripts to be sent to?*

Please submit your academic transcripts with your application. These do not need to be sent directly by the granting institution. Unofficial transcripts are acceptable.
5. *I received another award for this project for the 2017 summer term, am I eligible for the Scholar award?*

Depending on the terms and amounts of your award(s), you may be eligible for this award.
6. *How many Scholar awards per supervisor?*

One Scholar award per supervisor per summer term. A supervisor may be named as a collaborator on more than one application, however, they can only serve as supervisor for one Scholar/ summer student within this competition.
7. *How many Scholar awards are being provided?*

The number of awards will depend on the quality of the applications received. We anticipate up to 6 awards.
