2. Award Name	Status ☐ Awarded ☐ Pending Expected decision date:
Date of Support (MM/YYYY – MM/YYYY)	Amount ($)
3. Award Name	Status ☐ Awarded ☐ Pending Expected decision date:
Date of Support (MM/YYYY – MM/YYYY)	Amount ($)

Doctoral Researcher (PhD) Renewal of Funding Questions
Last Funding Cycle: During which cycle did you last receive funding from the Centre's Education Fund? (i.e. 2025-2026)
Project Title:
Project Progress: Describe the progress of your project over the past year of Education Fund support. In your response, comment specifically on research milestones, scientific discoveries, publications, and translation and/or commercialization achieved during this period. *(max. 800 words)*
Project Goals for Next Year: Describe how your project will benefit from an additional year of Education Fund support, including planned research objectives, collaborative activities, and translation and/or commercialization goals. *(max. 500 words)*

Supporting Material - You will be given the following instructions regarding the supporting material on the online application form.

Ensure that your application is complete and include the following attachments:
1. Applicant's current curriculum vitae & publication list;
2. Supervisor's CIHR Common Academic CV (last five years only)
3. *If applicable* - Letters of support from co-supervisor(s) and collaborators providing substantive resources (e.g., patient records, technological support, animal models)
4. *Optional - S*upporting figures for project description (max. 1 page, Arial 10 pt font)

Submission format: Files must be uploaded as JPEG or PDF files.

Important note: Do not upload any additional written materials. Reviewers will only consider materials requested above. All written content should be fully addressed within the designated application form fields.

Applicant & Supervisor Signatures – Please fill out this signature form for easy attachment to the online application.
